Last updated 13 October 2017

The SCCA grading list has been published during the first quarter of each calendar year, then supplemented by updates from the ICCF rating system every March and September. The 2008 list was the last to calculate SCCA grades. From 2009, all grades are calculated on the ICCF system, and SCCA domestic events are administered on the ICCF webserver to allow results to be automatically fed into the ICCF system. From 2009, the ICCF grading list has been published quarterly.
