### **September 2007 ICCF Notes**

A new ICCF grading list has been published. The new grades are based on results up to 30 June 2007, and will apply to internationally graded games starting between 1 October 2007 and 31 March 2008. International grades have been gained for the first time by Terry Doherty, Stuart Graham, Judith MacCaellich-Young, Charles Neil and Alex Scott. A provisional grade is marked by an asterisk.

If your name is shown wrongly, or if you are doubtful whether your grade or the number of results is correct, please let me know by emailing: [grader@scottishcca.co.uk](mailto:grader@scottishcca.co.uk)

Note that correspondence grades are often substantially higher than over-the-board grades.

### **April 2007 ICCF Notes**

A new ICCF grading list has been published. The new grades are based on results up to 31 December 2006, and will apply to internationally graded games starting between 1 April and 30 September this year. An international grade has been obtained for the first time by J McKinstry. A provisional grade is marked by an asterisk.

If your name is shown wrongly, or if you are doubtful whether your grade or the number of results is correct, please let me know by emailing: [grader@scottishcca.co.uk](mailto:grader@scottishcca.co.uk)

Note that correspondence grades are often substantially higher than over-the-board grades.

### **February 2007 SCCA Notes**

The grading list follows the same pattern as in recent years. Two grades are shown for those players with provisional ICCF grades (i.e. grades based on less than 30 results). If you meet a player with two grades, the one that is based on the greater number of results will be used in the calculation of your SCCA grade.

The ICCF grades are those that came into force on 1 October 2006. As well as international matches and ICCF tournaments, the following Scottish events were used in the ICCF grading: Championship, Candidates, and Division 1 of the League. 12 results are needed for an ICCF grade to be published.

The SCCA grades shown in this list take account of all results which appeared on the website by early February 2007. The new grades will be used for games starting in 2007. All SCCA events listed in the magazine and the website are included. Friendly internationals are also included if the opponent's grade is

known. Grades are calculated for players who have had eight or more results, provided these results were against graded players, or against ungraded players for whom it has been possible to estimate a grade.

Two new members, V Farrell and K Paine, were active in 2006 but have not accumulated the required eight results, and therefore have no grades. A provisional grade (i.e. one based on less than 30 results) is marked with an asterisk. Life members are shown with membership numbers above 500.

If your name is shown wrongly, or if you are doubtful whether your grade or the number of results is correct, please let me know by emailing: [grader@scottishcca.co.uk](mailto:grader@scottishcca.co.uk)

Note that correspondence grades are often substantially higher than over-the-board grades.
