

## SCCA Grading List 2004

\* denotes a provisional grade

### March 2004 ICCF Notes

A new ICCF grading list has been published. The new grades are based on results up to 31 December 2003, and will apply to internationally graded games starting between 1 April and 30 September this year.

As well as international matches and ICCF tournaments, the following Scottish events are used in the ICCF grading: Championship, Candidates, and Division 1 of the League. 12 results are needed for an ICCF grade to be published. R Beacon and B Henderson now have published ICCF grades for the first time. A provisional grade is marked with an asterisk.

### March 2004 SCCA Notes

The grading list follows the same pattern as in recent years. Two grades are shown for those players with provisional ICCF grades (i.e. grades based on less than 30 results). If you meet a player with two grades, the one that is based on the greater number of results will be used in the calculation of your SCCA grade.

The SCCA grades shown in this list take account of all results which appeared on the website by 14 March 2004. The new grades will be used for games starting in 2004. All SCCA events listed in the magazine and the website are included, except the Openings tournament. Friendly internationals are also included if the opponent's grade is known. Grades are calculated for players who have had eight or more results, provided these results were against graded players, or against ungraded players for whom it has been possible to estimate a grade.

Four members, DC Clapham, M Domnin, J Lawson and J Lees were active in 2003 but have not yet accumulated the required eight results, and therefore have no grades. A provisional grade (i.e. one based on less than 30 results) is marked with an asterisk. Life members are shown with membership numbers above 500.

If your name is shown wrongly, or if you are doubtful whether your grade or the number of results is correct, please let me know by emailing: [grader@scottishcca.co.uk](mailto:grader@scottishcca.co.uk)

Note that correspondence grades are often substantially higher than over-the-board grades.
